True Love Knows No Boundaries Dennis Corrigan boken PDF

Who lives in the mind of Dennis Corrigan? The Midnight Worm, Pointing George, Father Kurowski, Filthy Andy, a Weird Walkin' Stalker, Mrs. Mussman, A Revolting Rabbit Family.... One hundred clever and crazy cartoons to make you laugh and make you wonder. I'm always a fan of anyone who dips into the uncharted areas of the psyche for inspiration and Corrigan's work is certainly that. Fun and strangewhat's not to love?" Dan Piraro, creator of the legendary syndicated cartoon panel BIZARRO.
